The Acts 1:8

Volume VIII

June, 1980

Number 4

Dear Friends,

Congratulations to all 1980 graduates! May God's blessings be yours -- and also the hopes expressed in this poem.

We Wish Thee

What shall we wish Thee for the coming year?
Twelve months of dream-like ease? no care? no pain?
Bright spring, calm summer, autumn without rain
Of bitter tears? Wouldst have it thus, my friend?
What lesson, then, were learned at the year's end?

What shall we wish thee, then? God knoweth well
If we could have our way no shade of woe
Should ever dim thy sunshine; but we know
Strong courage is not learned in happy sleep,
Nor patience sweet by eyes that never weep.

Ah, would that our wishes were of more quail
To keep from thee the many jars of life!
Still let us wish thee courage for the strife --
The happiness that comes of work well done, --
And, afterwards, the peace of victory won!

A beautiful cake placed above a fountain with two cakes on either side, baked by Mrs. Dunmire, displayed the 40th year medalion. A lovely table of food was placed in the yard and the evening was pleasantly spent eating and visiting with the guests of honor and their son Jack, his wife Barbara and their children Sharon and David, who made the trip from Philadelphia especially for this occasion. A lovely gift was presented at the close of the evening and a grand time was had by all.

Mr. and Mrs. Harvey Clair Brewer wishes to thank everyone for all the congratulation cards for their 50th Wedding Anniversary. Helen also extends her thanks for all her get-well cards.

The recent tornado, which put Apollo on national radio and T. V., did not directly affect the Poke Run area - for the information of you readers in distant places. And for that we are profoundly grateful! However, many relatives and friends of members were involved in the disaster. This event brought back vivid memories to our pastor, Roy S. Brice, who, with his wife and 68 young people, clung face downward to a hillside at a church camp in Washington County as the devastating June 23, 1944, tornado passed through Western Pennsylvania. If you want visible evidence of the power of that storm -- just turn to page 42 in your Poke Run History for a picture of Mr. Brice's '41 Ford after having been demolished by that "Twister". Fortunately, the Brice's and their young companions suffered little or no injury. The Sunday following our recent tornado Mr. Brice used two mementoes from the 1944 calamity to emphasize his sermon -- a "much patched" pair of trousers and a Bible!

Glenn Gearhard, son of the John H. Gearhards, is anticipating a busy summer under the Penn State R. O. T. C. program. Between his three-week air-borne training at Fort Benning, Georgia, and his month-long Atlantic cruise based at Jacksonville, Florida, Charleston, South Carolina, and Norfolk, Virginia, he will relax for a week with his sister Carol Croff and family in Youngstown, Florida. Jane Gearhard spent Easter week-end with her sister Lois (Mrs. Maurice) Umble in Mason, Ohio. They then went together to Youngstown, Florida, to visit Carol and family, enjoying the Gulf Coast lovely Panama City and its beaches. The highlight of the visit was getting acquainted with the Croff's new month-old son, Joseph Leonard.

Wenby Bossart, daughter of the Wendell Bossarts, recently returned from a very enjoyable two-week vacation in Arizona, where her sister Becky lives and works. The sisters toured the state, visiting the areas of Phoenix, Tucson, Tombstone, Scottsdale and the Grand Canyon.

The Harry L. (Skip) Pfeffers are moving to Columbus, Ohio, on July 11th. Skip was transferred there over a year ago, but Evelyn and the children stayed here so that Lisa could finish her senior year at Kiski, and to sell their home. They have purchased a house in Columbus. Lisa plans to study Cosmotology there.

Kiski Area marching symphonic and stage bands recently brought back trophies from the National International Music Festival in Wildwood, New Jersey. Competitions were held in parade, field show, concert and stageband and drum major events. Kiski Area's stage band took a third place award, the symphonic band won a second place award, the marching band took a third place in the field show and a first place award in the parade in which 40 bands participated. The Kiski bands were awarded a total of four trophies. The "Band Front" which is comprised of the color guard majorettes and banner lineup tied for 1st place in the "Best Front" division. Kiski's "Front" was awarded 1st place for overall "Band Front" in the marching events. Two trophies brought home by the front. Some of the young people from Poke Run Church participated in the competition. They were: Laura Bryan playing flute, Courtney Lavrich playing cymbals in the marching events and basson in the concert, and Mary Lou Hostetler playing tuba.

Congratulations are in store for Lisa Heinlein, Lois Striner, Kelly Scott and Brenda Hostetler who were among the Top 15 in Washington Jr. High 8th grade class.

"God has two dwellings -- one in heaven, and the other in a loving heart."

A neighboring Presbyterian church recently inserted this plea from its choir director: HELP WANTED -- More choir members -- especially tenors. Short hours, no wages, but many fringe benefits, both now and in the hereafter. Same applies to Poke Run Choir!

Drudgery is as necessary to call out the treasures of the mind as harrowing and planting those of the earth.

NO TIME FOR GOD

No time for God? ... What fools we are, to clutter up Our lives with common things,
And leave outside hearts gate The Lord of Life, and Life itself --
Our God! No time for God? ...
As soon to say no time To eat, or sleep, or love, or die. Take time for God,
Or you shall dwarf your soul: And when the angel, Death Comes knocking at your door,
A poor, misshapen thing you'll be To step into eternity!

Some day you'll lay aside This mortal self, and make your way To worlds unknown;
And when you meet Him face to face Will Hee -- should He -- Have time for you?
