The Acts 1:8

Volume XI

September, 1982

Number 1

Dear Friends,

"Bless this house, O Lord, we pray, Make it safe by night and day;
Bless these walls so firm and stout, Keeping want and trouble out.
Bless the roof and chimneys tall; Let Thy peace lie over all;
Bless this door, that it may prove Ever open to joy and love.
Bless the folk who dwell within, Keep them pure and free from sin.
Bless us all that one day, we May dwell, O Lord, with Thee."

Words by Helen Taylor

This familiar anthem expresses our prayer for The Blasers as they make their new home in the Poke Run Manse. With this prayer we also dedicate the newly renovated manse to the One under whose Guiding Hand all the planning and labor of many volunteers resulted in a beautiful home for our pastor and his family -- plus their little dog Duke.

Over the past several months our Congregation has prepared for and attended some unusual events in our Church life, due to the retirement of Mr. Brice and the installation of Mr. Blaser. The latest of these events was a most pleasurable one hosted by Wayne and Donna Blaser. On Sunday afternoon, August 29th, the Blasers opened their home for viewing by the Congregation, so that the many people who

donated time, money and talent to the Manse renovation project were able to see the end result. Donna greeted visitors on the West side porch by the kitchen where they signed the guest book and proceeded through the house. Members of the Continuous Committee on Property Maintenance and Improvements were in each of the rooms and outside to point out the improvements. Wayne then directed visitors to the East side porch for refreshments. Everyone agrees the Manse looks beautiful -- due in large part to the ingenuity and good taste of the Blasers. Over 100 visitors took advantage of this opportunity to see the updated Manse.

PASTOR'S NOTES

THINGS I WOULD LIKE TO KNOW

I want very much to serve each one of you, as effectively as possible. You can help me greatly as your pastor if you would remember to supply me with the following vital information without delay.

1. When you or another member is sick or hospitalized, call me or the church office immediately. Due to the distances involved in hospital visitation, I will normally visit Tuesdays and Fridays. I have already missed people in the hospital because no one called, or they called after I had just been to the hospitals. I will gladly come as quickly as possible in cases of emergency. I will also gladly anoint with oil, or celebrate the sacraments with any one who is sick at their request. (I will attempt to contact all whom I know are sick/or shut-in near the dates that the congregation celebrates The Lord's Supper so they can share the feast too, if they wish. You can help assure that you are on my list by calling in your request for communion.)
2. When a member dies, please try to reach me immediately, even before you call the funeral director. I will do everything I can to give you support and counsel. I should be the first person, outside perhaps the immediate family who is consulted about funeral service arrangements, since the funeral service is an act of worship conducted by the church. A funeral director is overstepping his or her bounds if he or she discusses the service arrangements before you have talked with me, or in my absence, with an Elder from the church. Most funeral directors will provide you with excellent counsel on visitation, finances, legal obligations, etc., many are devout christians from whom you may receive valuable spiritual support, but most are not really competent to advise you in properly planning the most effective worship service for your situation.
3. When you need someone to talk to about problems, questions, doubts, Please Call.
4. When you want prayer offered for you and/or someone else, and if you desire, I will have your request published in the church bulletin, so the entire congregation can lift your concern to God.
5. If you wish to have your baby baptized, or if you wish to be married in the church, I would like a month's notice when possible, so that you can be adequately prepared. At the present time The Sacrament of Baptism will be celebrated on the following Church Feast Days which have special Baptismal Significance:
 - Easter (Late March - early April)
 - Pentecost (Late May - early June)
 - All Saints (First Sunday in November)
 - The Baptism of Our Lord (First Sunday after Epiphany (January 6))
 - The Transfiguration(2nd Sunday of Lent)

WEDDINGS SHOULD NOT NORMALLY BE SCHEDULED DURING THE SEASONS OF ADVENT OR LENT, SINCE THESE ARE TIMES OF SOLEMN, PRAYERFUL PREPARATION FOR THE GREAT FEASTS OF CHRISTMAS AND EASTER.

Fellowship Program

A new Sunday evening Fellowship Program was launched Sunday evening, September 26th with a church-family covered dish supper. A program of music, getting acquainted activities, and the forming of a "people vine" for closing devotions was led by Wayne Blaser. Program leaders Don and Pat Lengauer, Marv and Kathy Moneymaker, Donna Blaser, Ronna Ryman, and Rick Learn were introduced. They will be directing activities for people of all ages. A typical Sunday evening will involve everyone gathering together for singing and prayer at 6:30, followed by about 45 minutes for specific age group oriented activities for adults, youth and younger children. The evening would conclude with everyone getting together for closing devotions and refreshments. The program will also include social events and service projects. We hope to provide an enjoyable program that will appeal to people of all ages and draw us all closer together.

WORDS OF APPRECIATION from Roy S. Brice, Pastor Emeritus

For many years I have had the privilege of assisting with the preparations of the newsletter and other publications of Poke Run Church -- The Ranger being the basic quarterly publication during the past ten years. This past year my preparations for The Ranger have been -- with modifications -- in the nature of Pastor Emeritus Paragraphs. These, I trust, have been of some benefit to the members of Poke Run Church and to the other readers of The Ranger.

The September issue of The Ranger will be Number I of Volume XI. May all who have been engaged in the shared labors of putting together the contents of The Ranger over the past ten years know the joys of faithfulness in well-doing.

One year has passed since my retirement from the pastorate of Poke Run Church and since my departure from Poke Run Hill. My acquaintance with the programs and promotions of the congregation has diminished; and at this juncture I have been led to the considered judgment of the wisdom of concluding my input to the contents of the issues of The Ranger. Of course, I hope that the door might be kept ajar, providing a medium for conveying occasional greetings and other messages to the readers.

Please know that I look forward with great delight to receiving the issues of The Ranger, the bulletins and other communications.

Peace and Joy to The Pastor, to The Congregation, and to All!

_____(R.S.B. -- September, 1982)

We were pleased to have Roy Brice as a visitor at the Sunday morning service on September 12, 1982. We understand he has been very busy as a pulpit supply in Kiski Presbytery, even to two services on some Sundays. So along with his physical labors on his nephew's farm, it does not appear that he has retired to a life of leisure. We do hope he will continue to keep in touch and keep us informed on his life in Dayton.

Odds and Ends

Rev. Blaser attended a conference on Christian Education as Transformation at the Presbyterian School of Christian Education in Richmond, Va., the week of July 12-16.

Rev. Blaser and Glenn Ross participated in the installation of The Rev. Randolph Weber as Assistant Minister in the Murrysville First Presbyterian Church on Sunday evening, July 25, 1982.

We regret that Miss Judy Daum will no longer be serving as our church organist. We appreciate her faithfulness in helping with our worship services during the summer months.

Many thanks to Circle 2 for providing the bulletins, the floral arrangement, and the lovely corsages and boutonnieres for Grandparents Day on Sunday, September 12, 1982.

In the item in the last newsletter regarding John Fife, we neglected to mention that John's picture and a very informative article about his church's work with the Salvadoran refugees can be found in the May issue of the A.D. Magazine.

At the 194th General Assembly of our United Presbyterian Church, U.S.A., the Plan for Reunion with Presbyterian Church, U.S. (The Southern Church) was approved by a vote of 571-18. Now two-thirds of our presbyteries (along with three-fourths of the PCUS presbyteries). If the response is positive, the reuniting General Assembly will take place in Atlanta, Georgia, June 7-15, 1983.

Sanctuary Memorial Flowers

New guidelines have been established for placing flowers in the Sanctuary. No flowers should be placed in front of the communion table or the baptismal font. Double floral arrangements may be placed in the planters. A single arrangement may be placed on the piano--so it should be in a low container. No flowers will be purchased with current fund monies. It is hoped that flowers will be regularly supplied by members as memorials or from weddings. It is also hoped that members having garden flowers will make it known to the chairman of the month. As much as possible, arrangements should be coordinated with the colors and mood of special seasons of the christian year. (The flower chairman can give further information along that line). The price of one arrangement from Twin Valley Greenhouse is now \$15.00. The flower chairman for October is Beverly Tagliati (327-7983).

Personal Notes

Freda and Joe Bowman left the first part of August on a motor trip to California. They stopped in Minneapolis to pick up Joe's sister and her husband, the Harold Troups (former Poke Run members). Mildred George and her daughter, Ellen Smith, from Virginia Beach, Va., and her son John George from Downey, California, were Poke Run visitors in August. September travelers include Ruth Speer, who went to The World's Fair in Knoxville, Tennessee; Gerald and Pat Christy, who vacationed with the Don Remaleys in Louisville, Kentucky; and Evelyn and William Schaeffer and little Jonathan along with Margaret Hughes, who spent a week in Virginia Beach. John (son) and Grace Germroth, former Mamont residents and Poke Run members, are here from Phoenix, Arizona, visiting family and friends in this area.

Women's Association Activities

The Third Quarterly Meeting of the Poke Run Women's Association was held in Fellowship Hall, Tuesday evening, September 7, 1982, with 33 members present. Sandy Chappell and Kathy Moneymaker conducted devotions on the theme, "It is More Blessed to Give ...". A baby shower sponsored by Circle 2, with fun and games, was the highlight of the evening. Many lovely and practical gifts were brought which will be sent to a Mission Station in South Carolina. Circle 2 will buy needed items to supplement the gifts so that several complete layettes will be assembled. Emma Dummire conducted the business meeting. The Association decided that the proceeds from the October Community Dinner should be added to last year's proceeds to help provide storm windows for the Sanctuary. Monday, September 13th, was set aside as Kitchen Clean-up Day. Circle 4 is sponsoring "Blanket Day" on Sunday, September 26, 1982, to collect cash donations for blankets for Church World Service. Circle 3 is assembling First Aid Kits as their extra mission project. District I Fall Workshop for Redstone Presbyterial will be held at Union United Presbyterian Church on Tuesday October 12, 1982, at 9 o'clock. Another worthy project carried out this past month by the Sewing and Supplies Committee of W.A. was to sort and pack fourteen boxes of good used clothing donated by church members. They then took them to The Helping Hand in Apollo where they are made available to the needy.
