Connie Cauvel (Clerk of Session)

The Poke Run Session adopted the following policy on May 10, 2016. If you have any questions regarding how this policy applies to you, please contact the Poke Run Office.

Policy to Safe Guard Children and Youth
March 2016 through February 2017
Any policy changes will be provided to Session

I. Philosophy

Poke Run Presbyterian Church is a congregation committed to ensuring the safety and protection of our children and youth from any physical, sexual, or emotional abuse. Therefore, the Session has adopted this policy to provide direction for Poke Run Church employees and volunteers, parents, members and visitors to the church and how to seek to safeguard our children and youth and nurture them in Christian love.

The church is committed to maintaining a wholesome and safe environment for work, worship, study, and fellowship for all inspired by Christian love.

II. Guidelines

- A. Age and Qualifications of Caregivers, Volunteers, Christian Educators: Must be 18 years or older or accompanied by a caregiver age 18 or older.
- B. During all functions that involve children such as Sunday School and Vacation Bible School, it is our policy that two adults with complete Pa Clearances be present and lead the organization of the program. When a group of minors being sponsored by Poke Run Presbyterian Church is on an overnight event, the adult leaders' gender(s) must include at least one of the gender corresponding to the gender(s) of the group. For example, if the youth group is of mixed gender, there would be at least one man and one woman chaperone present.
- C. The qualifications and appropriateness of any person wishing to be involved in any Christian Education program at Poke Run Presbyterian Church will be reviewed and determined by the Pastor and Personnel Committee. Also these persons must read and acknowledge the policy by signing the form, "Acknowledgement and Understanding of Policy."
- D. Poke Run Presbyterian Church will strive to provide a physical environment that minimizes the risk of harm and supports the careful supervision and appropriate interactions with the leaders between children and youth. Physical surroundings and group size should allow adequate space and visibility for monitoring. All considerations need to be taken such as leaving doors open.
- E. No ministry volunteer shall provide transportation for youth alone without written permission from the youth's parent.
- F. Abuse shall be defined:
For purposes of this policy, child abuse is any action (or lack of action) that endangers or harms a child's physical, psychological or emotional health and development. Child abuse occurs in different ways and includes but is not limited to the following:
 - Physical Abuse – any physical injury to a child or youth that is not accidental, such as beating, shaking, burns, or biting.
 - Emotional Abuse – emotional injury when the child or youth is not nurtured or provided with love and security, such as an environment of constant criticism, belittling, persistent teasing.
 - Sexual Abuse – any sexual activity between child or youth and an adult including activities such as fondling, exhibitionism, intercourse, incest, and pornography.
 - Neglect – depriving a child or youth of his / her essential needs such as food, water, warmth, attention.
- G. Non-church groups that are not directly sponsored by Poke Run Presbyterian Church will be expected to follow the policy of safeguarding children and youth.

III, Background Checks and Other Documentation

www.compass.state.pa.us/cwis/public/home
3. Poke Run Presbyterian Church approved Affidavit/ Volunteer Exemption for Federal Criminal History Record (FBI Fingerprint clearance) Child Protective Services Law – PA Act 153 of 2014

IV. Exceptions to Background Check Requirements:

1. Any volunteer under the age of 18 is exempt from the above mentioned background checks.

V. Procedures for Reporting and Handling Violations

1. All accusations and suspicions of child abuse are to be reported immediately to the Program Leader or Coordinator, who will report and alert the Church Pastor or Clerk of Session.
2. It is the responsibility of the person that has witnessed or suspects abuse to take action by calling Childline, the PA Child Abuse Registry 24 hours a day by calling 1-800-932-0313.
3. Additionally, the reporting individual must complete the form "Report of Suspected Child Abuse" and submit to the Clerk of Session.

Minute For Mission – For over 10 years, members of Poke Run have traveled to the Appalachian areas of WV and VA to assist elderly, disabled and low income individuals and families with housing repairs and improvements. What started out as a mission supported only by Poke Run, has grown to include involvement and support from as many as 8 churches last year. Poke Run has partnered with Project Crossroads in Marion, VA to accomplish this work. This program determines the individuals that need served, sets up projects, purchases materials, establishes work schedules, and locates housing for visiting mission teams like ours. The Poke Run congregation helps support the mission team with funds for food to feed the mission trip attendees and funds to Project Crossroads for the work supplies. Mission trip attendees from other churches also contribute funds from their congregations. The individuals that travel with the team donate their time, skills, and resources to help serve God’s people.

This year’s Poke Run sponsored Mission Trip of over 20 volunteers was commissioned for their journey to the Marion Virginia area for the week of June 19 through 23, 2016. This year’s group represents the congregations of Poke Run, 1st Baptist Church of Apollo, New Beginnings Baptist, 1st Baptist Church of Woodbridge, Park Baptist of McKeesport, Clarksburg Presbyterian Church and Grace Community Presbyterian Church. Five Poke Run members will participate: Josh Porterfield, Linda Chicka, Bob Wilson, Freda Bowman and Edyth Elwood. Please keep all the participants and those they serve in your prayers.

The Union Mission
A haven of support

Minute For Mission – The Union Mission is a Christian organization located in Latrobe, PA that provides a temporary haven to men in need and assists them in building interdependent relationships. It is the only shelter in Westmoreland County serving homeless men. On average they serve over a hundred men per year. The Mission provides for the overall treatment of the individual through a structured program that includes counseling, case management, life skills training, spiritual development, and education. The environment at the Mission fosters character development, morality, and bonds of friendship and family. They are able to provide a “stepping stone” to return as productive, respectful members of the community. *The Union Mission only has a recidivism rate (return to homelessness) of 7.8% compared to the national average of 44%.* Through a series of poor decisions and or bad circumstances, any person could find themselves without shelter. The Union Mission offers refuge, hope, and opportunity to those who truly need help to begin putting the broken pieces of their life back in order. Read stories about men whose lives have been changed at www.theunionmission.org

Thank you to **Ron and Carole Bowman** and all of their helpers, for another wonderful year of “Soup for the Soul.” This program continues to be a blessing to all who attend. There will be a summer break and then “Soup” will resume on the second Wednesday of the month starting again on October 12th! See you then!

Poke Run would like to recognize another 2016 graduate! **Katherine Ross** – daughter of Doug & Debora Ross, granddaughter of Glenn Ross, will graduate with a doctorate degree in Psychology from the University of Virginia.

Stories of Redstone

Christ at work in our midst

Confirmation (in the Christian Church) refers to the rite at which a baptized person, especially one baptized as an infant, affirms his or her Christian belief and is admitted as a full member of the church. It is the moment a youth takes ownership of his or her own faith journey. In Redstone Presbytery, we are blessed to have Pine Springs Camp, which holds a special confirmation retreat in April each year. On a snowy April weekend, approximately 12 youth and adults made the trek up to PSC to learn about the Presbyterian Church and each other.

Taylor Barner, is an M.Div. student at Pittsburgh Theological Seminary and candidate for ordained ministry in Redstone Presbytery. He had this to say about the retreat: "Well I saw a group of students from three different congregations who were actively engaging with one another and with Jesus Christ through a series of teamwork activities, topical lectures, and group worship. We discussed many topics such as the importance of Scripture, Presbyterian polity, and the Sacraments. We bonded over meals and goofy games and it was easy to see the growth and excitement within the students throughout the retreat." Welcome to all who are being confirmed to church membership this spring! Want to learn more about how your church can participate? Contact our Presbytery office via redstone.org or on Facebook!

Christ at work in our midst

Serving the Community and the Church

What does it mean to lead the Presbyterian Church **FOR** Delmont rather than be the pastor **OF** Delmont Presbyterian Church?

For The Rev. Caroline Vickery, it's a small change in words but a big change in attitude. Vickery is exploring the concept of parish ministry, thinking of herself as the pastor for everyone in Delmont who does not have a pastor.

As the community pastor, Vickery holds office hours at the local McDonald's one morning a week. She and other members of the church offer prayer and presence to patrons. She admits this new form of ministry is not easy. But says Jesus calls us to do things we are uncomfortable with. It's also widened the idea of what ministry can be for the church she serves.

"I have to explain why I'm at McDonald's knitting and having coffee," she says. "But I pray here. Even when people don't make requests in person, I get prayer requests by Facebook and text. It's a new way of thinking about ministry."

Communicate the Word... Carry on the Work... Change the World Together!

As Reported from Presbyterian Church USA

"Several thousand people are expected to gather in Portland, Oregon, on Saturday, June 18, for the opening worship service of the 222nd General Assembly of the Presbyterian Church (U.S.A.). But the congregation could potentially be much larger—with groups of Presbyterians across the country using live stream technology to participate in opening worship ... The Committee on the Office of the General Assembly (COGA) is encouraging congregations and mid councils to gather groups in their locations to worship with the assembly via live stream... "The concept is a unified PC(USA) participating in worship from all corners of the country and the world." The assembly's opening worship service begins at 11 a.m. Pacific Daylight Time and is scheduled to last about ninety minutes. It will include communion, the commissioning of assembly commissioners and advisory delegates, a sermon by outgoing Moderator Heath Rada, and music by a mass choir, a bell choir, and a contemporary band. The liturgy for the service—including the words and music of hymns—is available online for download by groups planning to worship in other locations."

Keep this Group of Presbyterians in your prayers this week.
